

ACCESSNETS 2007

August 21-23, 2007, Ottawa, Ontario, Canada

CALL FOR PARTICIPATION

Second International Conference on Access Networks

<http://www.accessnets.org>

The aim of the annual International Conference on Access Networks (AccessNets) is to provide a forum that brings together scientists and researchers from academia as well as managers and engineers from the industry and government organizations to meet and exchange ideas and recent work on all aspects of access networks and how they integrate with their in-home counterparts. AccessNets'07 is the second edition of this exciting event, which will be held in Ottawa, the beautiful and historical capital city of Canada, on August 21-23, 2007. The conference will consist of keynote speeches, invited talks, technical sessions, workshops, and panels. The technical sessions will present original and fundamental research advances while the workshops and panels will focus on development, application, and related business issues in this hot and exciting area.
